

SAC(ISRO)-TIMCD-CALIBRATION LABORATORY
SPACE APPLICATIONS CENTRE (SAC), ISRO
BUILDING NO : 48-23
DEPARTMENT OF SPACE
GOVERNMENT OF INDIA
AHMEDABAD : 380015
TEL : (079)26914823

CALIBRATION CERTIFICATE

Certificate No.		ULR No.	
-----------------	--	---------	--

CALIBRATION INFORMATION

Equipment Received Date		Certificate Issue Date	
Date(s) of Calibration		Calibration Due Date	
Job Number		Procedure Reference	
Calibration Location			

EQUIPMENT DESCRIPTION

Equipment ID	
Equipment Name	
Make	
Model Number	
Serial Number	

ACCESSORIES

Sr. No.	Accessory Description	Model No.	Serial No.

CUSTOMER INFORMATION

Submitted By		Division	
Group		Project	
Phone (Lab)		Phone (Room)	

ENVIRONMENTAL CONDITIONS

Temperature		Relative Humidity	
-------------	--	-------------------	--

STANDARDS USED

ID	Standard Used	Make / Model	Calibrated At	Validity

Measurements are traceable to National / International Standards

PARAMETER CHECK LIST

No	Parameters Checked	Observations / Remarks

10		

ADJUSTMENT DETAILS

Sr.No.	Parameter	Test Value	Specification Limits	Before ment	Adjust-	After Adjustment

Detailed Observation Report of _____ pages for above parameters are attached.

NOTES

1. The result in this report refers only to this particular item submitted for calibration.
2. This report shall not be reproduced except in full without written approval from HEAD TIMCD.
3. The calibration results recorded in this report are valid at the time and under the stated conditions of measurements.
4. Confidence level is approximately 95% and coverage factor k=2.

REMARKS

Performance of the Equipment is within the specifications.

Observation with calculation of expanded uncertainty is available with CAL LAB and will be provided on request.
